Department Of Agriculture
Soil Conservation Service
Upper Appomattox Watershed, Virginia
AGENCY: Soil Conservation Service
ACTION: Notice of a Finding of No Significant Impact
SUMMARY: Pursuant to Section 102 (2) (C) of the National Environmental Policy Act of 1969; the Council on Environmental Quality Guidelines (40 CFR Part 1500); and the Soil Conservation Service Guidelines (7 CFR Part 650); the Soil Conservation Service, U.S. Department of Agriculture gives notice that an environmental impact statement is not being prepared for the Upper Appomattox Watershed, Appomattox, Buckingham, Cumberland, and Prince Edward Counties, Virginia.

FOR FURTHER INFORMATION CONTACT: Manly S. Wilder, State Conservationist, Soil Conservation Service, 400 North Eighth Street, P.O. Box 10026, Richmond, Virginia 23240, telephone 804-771-2455.

SUPPLEMENTARY INFORMATION: The environmental assessment of this federally assisted action indicates that the project will not cause significant local, regional, or national impacts on the environment. As a result of these findings, Manly S. Wilder, State Conservationist, has determined that the preparation and review of an environmental impact statement are not needed for this project.

The project concerns a plan for watershed protection. The recommended plan includes soil conservation practices and structural area treatment on 20,150 acres and eight agricultural waste management systems. Primary effects of the plan include decreased erosion and sedimentation on agricultural lands and improved water quality.

The Notice of a Finding of No Significant Impact (FONSI) has been forwarded to the Environmental Protection Agency and to various Federal, State and local agencies and interested parties. A limited number of copies of the FONSI are available to fill single copy requests at the above address. Basic data developed during the environmental assessment are on file and may be reviewed by contacting Gerald P. Bowie.

No administrative action on implementation of the proposal will be taken until 30 days after the date of this publication in the Federal Register.

Girls' State, Boys' State

Raider Review

By JENNIFER INGE

Four juniors at Appomattox County High School have been named to attend Boys' and Girls' State, the week of June 12-18. Bobby Carter and Neal Leonard will be attending Boys' State at Lynchburg College. Lori Coggins and Tambra Hamlet will be attending Girls' State at Longwood College.

Boys' and Girls' States are held each year for high school juniors. The purpose of the week is to familiarize students with political activities, and to give students experience with government policies and leadership abilities. The week also helps them understand some of the responsibilities they assume when they become adults. Upon arrival at Boys' and Girls' State, the students are divided into cities which elect city officials. Each student must be a member of a political party. In a convention, the cities form a state and elect such officials as governor, representatives, and senators. The students' schedule also includes sports activities and sessions involving leadership, government affairs, and political parties.

The candidates chosen for Boys' and Girls' State are selected on the qualities of leadership, patriotism, character, cooperativeness, honesty, scholarship, and physical fitness. Faculty members choose the candidates by nominating two boys and two girls. Each student that receives at least two votes is placed on a ballot, and is voted on by the faculty. The two top boys and two top girls are eligible to attend. The two other boys and girls receiving the second highest number of votes are named as alternates. Trudy Harris and Ladell Wright are alternates for Girls' State, and Jeff Fanney and Malcolm Miller are alternates for Boys' State.

"I learned a lot about state government and how elections are run," stated Susan Morris, a senior who attended Girls' State last year. "I also liked hearing the governor and state officials speak."

Those attending Boys' State are sponsored by the American Legion and the Appomattox Lions Club. The girls attending Girls' State are sponsored by the American Auxiliary Legion and Appomattox Women's Club.
